

Please note, when selling an obsolete pump you also have to inform your customer until which year spares will be available. The normal 10 years spare parts obligation is only valid for current products.

Spare parts for the below mentioned pump series and sizes are not longer available as they are withdrawn from production with the exception for parts of type A, B and C

AAD/AAE sizes 025-038
AAG/AAH sizes 045-070
ALA sizes 025-052
ALD sizes 025-052
ALG sizes 060-070
ANA sizes 015-020
AND/ANG/ANL sizes 025-070
APD sizes 025-052
APG sizes 060-110
B4 sizes 025-070
E4C - " -
E4S - " -

- A Mechanical shaft seals as noted in SHAFT SEALS FOR WITHDRAWN PUMPS in this section
